

In a representation case arising from a reorganization where both successorship and accretion principles are claimed to apply to the same employees, how should the Authority resolve the representation issues raised by the petitions?

As these matters are likely to be of concern to agencies, labor organizations, and other interested persons, the Authority finds it appropriate to provide for the filing of amicus briefs addressing these issues.

Dated: July 1, 1996.

For the FLRA.

James H. Adams,

Acting Director, Case Control Office.
